FIRST AID

In case of emergency, call a poison treatment advice. Have the product when calling a poison control center. **IF IN EYES:** Hold eye open. Rinse with water for 15-20 minutes. Remove after the first 5 minutes, then continue with water for 15-20 minutes. **IF ON CLOTHING:** Take off contaminated clothing. Rinse with water for 15-20 minutes. **IF SWALLOWED:** Sip a glass of water if able to swallow unless told to do so by a poison control center or doctor immediately. **HALED:** Move person to fresh air. Call 911 or an ambulance, then give mouth-to-mouth, if possible.

NOTE TO PHYSICIAN: Probable irritant. Indicate the use of gastric lavage.
